

111,2

A technical drawing of a rod. The top part shows a horizontal line with a dimension of 111,2. Below it, a more detailed drawing of the rod is shown with a dimension of 99,5. The rod has a central section and two end sections. The end sections are wider and have a rounded, cylindrical shape. The central section is narrower and has a flat top and bottom. The dimension 99,5 is indicated by a horizontal line with arrows at both ends, spanning the length of the central section.

99,5

 | 1,8

A small icon of a component, possibly a connector or a joint, is shown next to the dimension 1,8. The icon is a simple line drawing of a rectangular component with rounded ends and a central slot.
